Dear Viru,

How are you? How is **Aunty** and **Uncle**? I hope you all are doing well. I am fine here by the grace of **God**.

I am excited to invite you to my birthday party on **28th August, 2026**. It's going to be a grand celebration with lots of delicious **eatables**. My **Papa** has also promised to take all of us to watch the latest Hindi film at **Satyam**. **Moru** and **Binni** have also promised to join us.

I hope you will keep all your work aside and come to my birthday party at **3 PM**. Without your presence, the celebration will feel incomplete.

Give my regards to **Uncle** and **Aunty** and love to **Leela**. Looking forward to a wonderful get-together!

Your loving friend,

Milind
